**Nomenclature: CON RF50 PL CO AX**

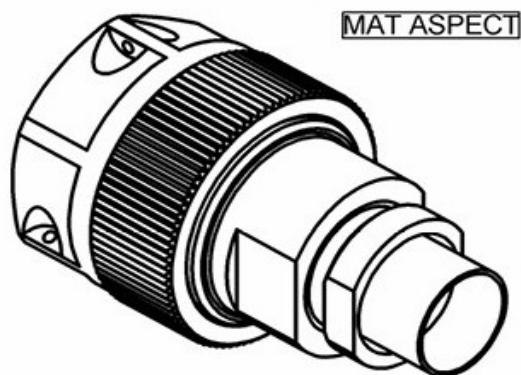

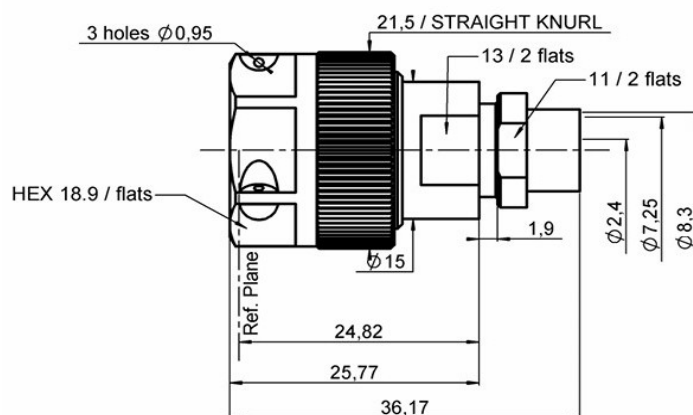

Page No.

1 of 2

**STK-571188671221**

CON RF50 PL CO AX

### OUTLINE DRAWING

### TECHNICAL DATA

#### ELECTRICAL DATA

|                    |                             |
|--------------------|-----------------------------|
| Impedance          | 50 $\Omega$                 |
| Frequency range    | 0-18 GHz                    |
| VSWR               | 1.12 + 0,0000 x F(GHz) Maxi |
| Insert Loss        | 0.1 $\sqrt{F(GHz)}$ dB Maxi |
| RF leakage         | -( 90 - F(GHz)) dB Maxi     |
| Voltage            | 500 Veff Maxi               |
| Dielectric voltage | 1500 Veff mini              |
| Insulation         | 5000 M $\Omega$ mini        |

#### MECHANICAL INFORMATION

|                            |                 |
|----------------------------|-----------------|
| Axial force – Mating end   | 27 N mini       |
| Axial force – Opposite end | 27 N mini       |
| Torque                     | NA N.cm mini    |
| Mating                     | 400 N.cm        |
| A/F clamp nut              | 11,0000 mm      |
| Mating life                | 500 Cycles mini |
| Weight                     | 37,2780 g       |
| Clamp nut                  | 300 N.cm        |

#### ENVIRONMENTAL INFORMATION

|                       |              |
|-----------------------|--------------|
| Operating temperature | -65/+165 ° C |
| Panel leakage         | IP67         |

|                                                                                                           |                             |                                                                                                                                                   |                                                                                     |
